C54NETCAM2 C07-081

Wireless 54Mbps Network IP Camera

Keep an eye on your home or office area from any location! This wireless 54 Mbps network (IP) camera is ideal for remote monitoring different spaces, at home (e.g. babyroom, living room) as well as business use (e.g. monitoring a reception or warehouse). By connecting the IP camera to your wireless router, you can access the live images recorded by the camera from any PC or notebook via the Internet or local network.
